ARE YOU TAKING AN ONLINE OR HYBRID COURSE?

Have you checked your NTU Skyhawk email?

Check your Skyhawk email for course information. If you don't see a welcome message, you can go directly to your online course at <https://moodle.navajotech.edu/> to access course information and resources. Week One, Monday, January 25th, you need to login into Moodle and participate before you are dropped from the course for non-participation.

If you do not have a Moodle, MyNTU or Skyhawk account or you forgot, please see the IT department preferably, Ms. Sharon Platero, splatero@navajotech.edu or its@navajotech.edu, IT Department.

Reminder: New Single Sign-On (SSO) procedures to access your accounts can be found at www.navajotech.edu.

All students are required to do their own work, participate, and uphold academic honesty. If you have a disability and need extra support, contact the special needs counselor at 505.786.4163. For more information about online courses, contact E-Learning Director Coleen Arviso at ccarviso@navajotech.edu. Or go to NTU Website E-Learning resources.

You need access to three required NTU Accounts to be a successful learner.

Moodle: Learning Management Platform to complete coursework and interact with your professor.

MyNTU: Obtain your schedule, unofficial transcript, view your mid-term and final grade, and potential to register for courses if you have no holds.

Skyhawk Email: All students are required to use Skyhawk email as the official communication resource within NTU. This is a federal requirement and policy.
